

# Course Schedule

Most of the Continuing Education (noncredit) courses are open to interested persons without formal admission to the College. A few may have specific enrollment restrictions. We urge our students to register early to be sure of a place in the class of their choice. Early registration will often avoid the cancellation of a class with low enrollment. Many courses are closed when the maximum enrollment is reached. You may register in the Office of the Registrar on one of the campuses. You can register online, in person, by mail or fax!

The information supplied in this schedule is based on conditions at the time of printing and is subject to change without notice. Continuing Education Services reserves the right to cancel any course section in which there is an inadequate number of enrollees.

Northeast Campus

**Registered Dental Assistant Program**

**Registered Dental Assistant Program**

Continuing Education Services, Northeast Campus, is currently offering a noncredit comprehensive course of study of individuals desiring to enter the Dental Assistant profession as a Registered Dental Assistant (RDA) according to the Texas State Board of Dental Examiners credentialing regulations. The Registered Dental Assistant Program was developed with the approval and support of the Fort Worth District Dental Society and Fort Worth Dental Assistants Association.

**Admission Requirements**

- **Attend Orientation**
- **High School Diploma or GED**
- **Placement Exam**
- **Drug Test**
- **Criminal Background Check**

**The Program**

Dental Assisting is a 21-week, 627-hour program and consists of both didactic and clinical instruction approved by the Texas Higher Education Coordinating Board and in conjunction with the WECM course criteria and guidelines. The didactic phase provides fundamentals of dental assisting procedures and job-entry skills while the clinical phase allows the student access to actual work situations. Graduates of this program must meet the Texas State Board of Dental Examiners Registered Dental Assistant and Nitrous Oxide Monitoring course and exam requirements.

## English as a Second Language (ESL)

Continuing Education offers a variety of English as a Second Language courses. There are courses for students at the beginning, intermediate and advanced levels to help build language skills that will enable you to function well in an English-speaking society. Courses cover the four areas of language acquisition, which are listening, speaking, reading and writing. The focus of instruction varies; however, all of the courses are aligned to TCC District standards.

Some ESL courses offered through our Learning Opportunities Centers are free to qualifying students.

### Courses include:

- Everyday Communications (listening, speaking, reading, writing)
- Work Communications
- Pronunciation and Accent Reduction
- Grammar and Writing
- Reading
- Conversation
- Customized Classes for Business

**Call Continuing Education Services on Southeast Campus, 817-515-3020.**
