

Follow these easy steps to register and access your account online.	
1	Go to: <u>myaccount.ipx-sys.com</u> to register
2	Enter your social security number [no dashes] as your initial username and click "Login."
3	Enter your birthdate [mmddyyyy] as the initial default password
4	Complete all registration information fields and note your new password
5	You will then be directed to the platform and can view and make changes to your account

Managing Your Account

Beneficiary Information

A beneficiary designation is an important component of your account setup. Verify and update if needed by selecting "View Summary" from your dashboard, going to "My Account", and choosing "Beneficiaries".

Investment Overview

The participant dashboard displays your "Balance Summary", "Your Accounts", and "Year to Date Contributions". To view current investment details, select "View Summary" from your dashboard.

Update SRA Elections

From your dashboard menu, select "Services" and then "Funding Your Account" to view available providers.

Transaction Requests

From your dashboard menu, select "Services" to view transactions that you can perform online, including loans, distributions, and contract exchanges.

With your online retirement account, you can:

- ✓ View your current investment balances, positions and performance
- ✓ Review available investment products and information
- ✓ Update your investment directions, including elections, reallocation and rebalancing
- ✓ Generate online statements and view transaction history
- ✓ Access a financial wellness center that includes videos, calculators and articles
