Public Engagement Strategy

Examples of Trustee and Community Input

- **Board** – board meetings, workshops, one-on-ones with the legal and demographic team, community meetings.
- **Public** – board meetings, public hearings, townhalls, SMD-specific community meetings, redistricting website, interactive maps, educational videos for the website, and surveys.

Proposed Engagement Strategy

I want to...

The proposed map changes are relatively minor, which impacts the public engagement strategy proposal:

- Create redistricting website linked to TCCD's home page
- Redistricting website will house:
 - All redistricting presentations
 - All proposed maps
 - Timeline and criteria
 - Proposed community meeting dates
 - Public comments on proposed map(s)

Proposed Engagement Strategy

- Additional Engagement:
 - Community meetings on proposed map(s) in SMDs subject to boundary changes [SMDs 1, 2, 3 and 4]
 - Final public hearing on day proposed map is considered for final adoption
