

# IR Corner

September 2014

In this issue of IR Corner, the Office of Institutional Research (IR) presents Data Request System metrics for the 2013-14 academic year.

During the 2013-14 academic year, IR processed 528 data requests.

Request Count by Month – shows the volume of requests received each month.

Request Completion Rates – provides data on the timeliness in which data requests are processed by IR. For example, 95% of data requests were processed on time in the 2013-14 academic year.
