

Prior Credit

Semester _____

I understand that the Tarrant County College VA Certifying Official has agreed to certify me for this semester **ONLY** to allow time for my prior credit to be properly evaluated.

I understand:

1. I must request that all my college transcripts and military transcripts be submitted to Tarrant County College Admissions and Records Office or the Registrar's Office.
2. After all my transcripts are on file at Tarrant County College, it is my responsibility to go online on WebAdvisor and request a Transcript Evaluation.
3. I must submit an updated Degree Audit to the Registrar's Office showing the completion of my prior credit.

Upon the Transcript Evaluation completion, if you are given prior credit for any certified course(s), **YOU MAY BE REQUIRED TO REPAY** the U.S. Department of Veterans Affairs for benefits you have received prior to the Transcript Evaluation completion.
